Alfreda:

I need to get a handle on how we are handling the consultations and roles of all the players. Could you, me and Blake meet today sometime?

Greetings Mr. Oldman: as the Tribal Historic Preservation Office Deputy Director for the Northern Arapahoe Tribe, I am following up on your voicemail confirming your Tribe's request for formal consultation in response to EPA's letter regarding the proposed Dewey Burdock project in South Dakota.

We will be in touch with you as we move forward with our Tribal Consultation Process. Please feel free to contact me with any questions, etc.

Sincerely,

Douglas Minter
